**First Presbyterian Church of Glens
Falls**

400 Glen Street | Glens Falls, NY

Join us for a Pre-Presbytery meeting to explore these questions and learn. In a time when there are many different points of view and information on what we should be doing as congregations when it comes to immigration and care for our communities, trusted information is needed. Denominational leaders from the national, synod and local regions will be available to answer questions, provide resources and talk about our faith traditions with you.

Workshop Leadership:

Teresa Waggoner, Esq, Office of Immigration
Issues, Presbyterian Church (U.S.A.)
Amaury Tañón-Santos, Synod of the Northeast
Shannan Vance-Ocampo, Albany Presbytery
